

National Secondary Professional Liability Insurance Program

PEO and OIQ are not participants in the National Secondary Professional Liability Insurance Program; as such, it is necessary for members of PEO and OIQ who are not participants in this insurance program in **another jurisdiction** to be covered by the program while licensed to practise in PEI. In order to be covered by the program, you must pay an amount of \$10.00 per annum in addition to the charges listed on the Application for a Licence to Practise.

Please check one:

- I am **not** a participant in the National Secondary Liability Insurance program in another jurisdiction. Attached is my payment of \$10.00 to cover premium for this calendar year.
- I acknowledge that I am a participant of National Secondary Liability Insurance Program in another jurisdiction. (No additional payment required.)
